

Declarations For Righteous Living

- We decree and declare that diseases shall not sweep the nation.
- In the name of Jesus, there shall be no more outbreaks of STDs and unwanted pregnancies in our youth.
- We decree and declare that our youth is prioritizing their relationship with God and righteous living, and they are not out partying, drinking and doing drugs, being violent and reckless, or having sex out of wedlock.
- In the name of Jesus, parents and adults are setting better examples and are not training youth in the way they should NOT go.
- We decree and declare that every leader ever placed into our children's lives shall be a believer in Christ with God's heart and filled with the Holy Spirit.
- In the Name of Jesus, no harm shall come to our children or families.
- We decree and declare that God's children shall be spared from any mass consequences of sin filling or forced upon the world.
- We decree and declare that our children will have discernment and know who to hang around and who not to.
- Our youth shall not get caught into gang activity, violence, or hanging with the wrong crowds.
- Believers shall have positive Holy-Spirit filled examples and leaders in their lives.
- By faith, our children, and all God's children, shall not be afraid to vocal witness. Instead, they are filled with the Holy Spirit, courageous, and unafraid to share Truth—the word of the Lord!
- In the name of Jesus, there shall be no lack in the nation, and no droughts or mass emergencies shall wipe out the lives of many again.
- Political figures shall make decisions based on the word of God and righteous principles.
- We decree and declare that any person in a position of power on earth or any potential evil spirits working and hiding behind them cannot hurt or stand against us. People who have authority on earth shall follow the word of God.
- We decree and declare that faith-filled believers of Christ shall rise and presume positions of authority, and no evil-doer shall control anything that goes on in a believer's life or household.
- In the name of Jesus, those currently in hospice or expected to leave this earth soon shall turn to Jesus before it's too late.
- We decree and declare that God's people will stand up all around the world and massively, on a grand scale, start leading souls to Christ, traveling high and low to minister, prophecy, heal, perform other miracles, and spread the Good News.

- By faith, all of God's children will realize and accept their gifts of the Spirit and begin to put them to use effectively NOW in the name of Jesus.
- We decree and declare that anyone struggling with immorality of any kind, including sexual sin, perversion, addictions, vanity and pride, gambling, substance and alcohol abuse, idolatry, satanism and witchcraft, and any and all other unrighteous deeds shall be free from it now in the name of Jesus. In the name of Jesus you are set free, and you are the righteousness of God.
- In the name of Jesus, there shall be an uprising of faith-filled believers filled with the Holy Spirit and power of God that stand up and block and destroy the tactics and plans of the enemy.
- We decree and declare that our light shall overpower the darkness on the earth!
- We speak against the schemes of darkness in this world and the evil across the nations and we bind them now in the name of Jesus. Evil shall not prevail. As in Heaven so on earth!
- In the name of Jesus, we decree and declare that God's Kingdom shall come on earth, and God's will shall be done.
- We believe it, we decree it, and it is so in Jesus' name!
